Bell music without a tower?

yes--with "Carillonic Bells!"

Your Church—with or without a tower—can bring a new spiritual awareness to the community with "Carillonic Bells". At the touch of a finger, or automatically, their beautiful true bell music carries your church's message to all who hear—at a fraction of the cost of cast bells.

They are light in weight, yet 25 "Carillonic Bells" provide the same musical range and volume of cast bells weighing 73,000 pounds. *Write for complete information.*

INEXPENSIVE—*Not Cheap*

Some articles are so cheap that preachers cannot afford to buy them. What the ordinary clergyman needs is value for his money. The Fund offers astonishingly low rates but prides itself on not dealing in policies that fail to satisfy the life-time owner. Experience is the test of value.

Andover Theological Seminary is affiliated with The Newton Theological Institution forming Andover Newton Theological School, located at Newton Center, in the vicinity of Boston. The combination of the two schools and the location, in greater Boston, make new and unusual advantages possible for theological students interested in taking their professional study in New England. The combined resources provide for an enrichment of the curriculum and an enlargement of the faculty. The library facilities are unexcelled.

Andover Newton Theological School students enjoy the privilege of taking work in Harvard open to theological students without additional expense. In greater Boston and New England are many of the oldest and most famous of the educational institutions of the country. As Andover Newton is in the midst of them, the students can enjoy the cultural and traditional advantages which bring college and professional students to Boston, not only from all over the country, but from all over the world.

The co-operation of the churches in the vicinity offers many opportunities where, on the basis of co-operative scholarships, students can make their way and at the same time gain valuable and practical experience. The School offers scholarship grants, as far as it is able, to students dependent upon self-support and seeks to aid in securing for them church positions in which service can be given in return. Special fellowships are awarded to exceptional students.

The School grants three degrees: B.D., S.T.M., and M.R.E. The B.D. is granted after four years study to students who have had a college course. The M.R.E. is granted to students with similar preparation after two years study. The S.T.M. is granted after at least a year of graduate study and the presentation of satisfactory thesis.

The Chicago Theological Seminary in 1943 participated with three other theological schools in forming the Federated Theological Faculty of the University of Chicago. This faculty as presently constituted is listed above.

A three year program of study is offered leading to the Bachelor of Divinity degree, given jointly by the Seminary and the University of Chicago. A two year professional course leading to the University Master of Arts degree in Religion and Personality (Religious Education and Counseling), Religion and the Arts, and Ethics and Society is also offered.

An A.B. degree or its equivalent as demonstrated in General Education entrance tests is required for admission. Remunerative field work and scholarships are available.

The Seminary is Congregational Christian in affiliation but, according to its charter, is "equally open to all denominations of Christians". All races are welcome. Housing facilities are available for single men and women and married students.

In addition to thorough training in the traditional disciplines of Bible, Church History and Theology, the Seminary has pioneered in the introduction of courses in church and community surveys, both urban and rural, clinical study of personality problems, religious drama, and religious radio.

ANNUAL STATISTICS OF THE CHURCHES

The statistics are collected by the Registrars of the conferences and compiled in the offices of the General Council. They are of date of January 1, 1952, and cover the year 1951. Changes in pastorates are corrected as far as reported until copy is complete. Such revisions and author's corrections in statistics are not involved in the summaries. Money received in any national, district or state office to and including January 10 is credited to the preceding year unless otherwise requested. Persons noting errors are earnestly requested to report the same **to the Registrars of the conferences.**

The schedules are arranged by conferences rather than by geographical state lines.

The tables are *not a postal guide.* For **addresses of ministers** refer to alphabetical lists in the back of the book. Names of church clerks, Sunday School superintendents, church treasurers, treasurers of benevolence and chairmen of boards of trustees and deacons, are on file in state offices, as are also certain other data.

The **first name** in the list of churches is **usually the name** of the town or city in which the meeting house is located. This is also the name of its post office unless followed by a name in **heavy-faced** type. If this postal word is an adjective it goes with the preceding name, e.g., Newton, **West,** signifying West Newton.

Abbreviations in schedule headings are:

"Ord." — Ordained

"Cld." — Called

"Ma." — Male

"To." — Total

"Ab." — Absentee

"C." — Confession

"D." — Death

"L." — Letter

Reference marks are used as follows:

[ ] Around a pastor's name signify he is not in full standing as a Congregational Christian minister, nor a denominational licentiate, nor an approved lay preacher, nor a candidate in care of a local association.

y Pastor serves more than one church. (See list of yoked churches in Conference Summary.)

i Pastor installed by Council.

r Pastor recognized by Council.

m Approximate number of men.

c Sunday School membership includes Cradle Roll.

x Includes cost of new building or improvements.

— No answer can be given.

Contribution amounts to less than 50 cents.

* Value of church property includes parsonage.

★ Per Capita paid in full by church.

|| When a church has made no report, items of membership in church, Sunday School and young peoples' organizations, also home expense and value of property, are inserted from the previous Year Book and marked || in the first column of the statistical report. This is done that these items may be included in the summaries and comparative tables, thus minimizing the danger of falsifying the comparisons.

Under church "Members" the number "Absent" are included in the "Total." Amount of "Home Expenses" includes all salaries, together with missionary aid received, operating expenses and repairs for church, Sunday School, choir and parish. An x before "Value Church Property" denotes expenditures for new buildings or improvements during the year. The total expended will be given at the end of each conference schedule.

The Women's Sacrificial Gift is included in the apportionment columns of each state. The apportionment figures in the schedules are those reported by the state treasurers.

The Summaries give important data by conferences in Table I pages 230, 231 and national data by years in Table II, page 232. The less important items appear in the Supplemental Summary, page 233. Additional totals appear in footings of conference schedules.

For last minute revisions see page following Ministers in Full Standing list.

PASTORS OF CONGREGATIONAL CHRISTIAN CHURCHES

NOT MEMBERS OF ASSOCIATIONS OR CONFERENCES AND

LICENTIATES

List of pastors who have been reported as not having full ministerial standing. A few states report men who have been "approved as lay preachers." The list also includes the names of all licentiates reported by state registrars, whether or not they are serving churches, as well as candidates for the ministry, who are in care of a local Association. The Association, to which a Congregational Christian licentiate, candidate or lay preacher belongs, may be had upon application to the Year Book Department, 287 Fourth Ave., New York 10, N. Y., or to the state conference office.

CONGREGATIONAL CHRISTIAN MINISTERS IN FULL STANDING

Ministerial standing is constituted by ordination and membership in an association or conference of Congregational Christian ministers and churches. (Local ministers with limited ordination will be found at the end of this list.)

The following is a compilation of the lists furnished by the Conference registrars.

Ministers not in Congregational Christian pastorates are indicated by the inclusion of ordination date (or by a hyphen (-) if ordination date had not been reported) after the address. Information regarding pastor is found in the appropriate place in the state report; refer to state and place. If a pastor does not appear in the schedule of the state in which he lives, he may have made a recent change in pastorate. (See Last Minute Revisions following this list.) Page numbers are given for those whose names appear on pages 5–18, and in the Necrology, pages 25–34, and in the record of 1951 Ordinations, pages 242–244.

An asterisk (*) before a name indicates that the minister is not now reported by a Conference registrar. It appears desirable to retain such names for a period of two years in order to give opportunity for completing transfer of membership from one holding body to another as well as for correction of errors.

A dagger (†) indicates that the address had not been verified, or is unknown.
